Convector Heater

Maniheat Heating Range

HCONHT

The Manrose Convector Heater is ideal for use in any room where extra heating or occasional heating is required (not recommended for use in bathrooms). The Manrose Convector Heater is suitable for either domestic or commercial use and can be floor standing.

24 Hour Timer Function

The 24 Hour timer function allows the heater to be set On or Off in 15 minute time segments. Simply set the pins on the easy to use timer dial and the heater will operate automatically during the selected times.

- Easy to adjust 24-hour timer
- Silent operation
- Ideal for use where occasional heating is required
