

MixFlo Range

Commercial Range

MF100/MF125/MF150/MF200

These powerful in-duct mounted mixed flow fans have been designed to produce higher working pressures for applications that require high air flows, with low relative noise.

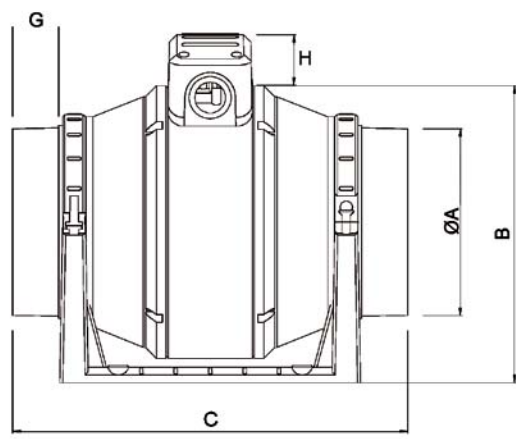

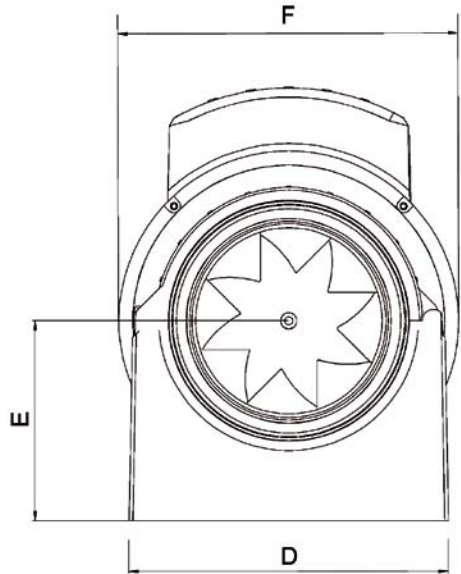

MixFlo fans can be mounted in a variety of applications and are suitable for use with either rigid or flexible ducting.

- High quality ball bearing, long life motors, continuously rated and warranted for a minimum of 30,000 hours or 3 years
- High air flows are achieved through flexible duct
- Compact overall dimensions
- All models 3 speed settings selected via internal dip switch
- Double Insulation - no earth required
- Fully Building Code compliant
- Fully BEAB approved rated to IPX4
- Easy installation and maintenance with the fan assembly easily removed from rigid ducting installations using the specially designed construction
