## HEAVY DUTY MAN/E-88

## HAND SANITISER

### Applications - Hand Dryers only

The models MAN M-88A and MAN/A-89 are suitable for use within office and commercial organisations, such as clinics and catering establishments. They are not recommended for use in public areas prone to vandalism, for example public lavatories and unsupervised areas.

All other models are suitable for use in public areas such as lavatories, factories, schools, railway and motorway service stations and are designed for heavy usage and unsupervised areas.
